

Event Bulletin No.1

Issued 16:30hrs Thursday 13th February 2025

Subjects:

1. Updated Supplementary Regulations, includes Insurance Information
2. Securing of Mobile Telephones

1. The Clerk of the Course would like to draw your attention to the latest edition of the event's Supplementary Regulations. These are available on the Club Website (www.delacymc-online.net) and on the Facebook Page of De Lacy Motor Club.

The latest updated edition now provides the required wording as issued by REIS, who are providing the third-party road cover for the rally. They also include the cost of the insurance for this year (£35.00). PLEASE ENSURE that you comply with the wording before applying when the official entry list opens.

2. Our Official Scrutineer has asked that all prospective competitors are reminded of the need for a secondary method of securing a mobile telephone or other electronic device being used for the purposes of using Rally App. This MUST be in addition to them being fitted to a securely mounted "cradle". They may be secured by means of a cable tie or similar. This is to ensure the safety of the crew in the event of an incident, to prevent it becoming loose in the car. This WILL be checked at scrutineering.

Signed K. Quinn
Clerk of the Course
