

CHAMPIONSHIP BULLETIN 01

22nd March 2019

Decals

Please see below example of the decals that all registered Race and Rally – Rally2 Championship competitors must carry to qualify for points in 2019.

- A: Sponsor Plate** Sponsor Plate to be to the “forward” side of the door square.
If this is not possible, the rearward side is satisfactory but must remain on the door.
- B: R&R Decal** R&R decal on rearward glass in lower corner or centre.

Non-compliance of the above will result in championship points not being allocated for that round.

The final positioning of the Championship decals can only be altered after agreement with the Championship Coordinator.
