

Organised by

CARLISLE STAGES RALLY

Road Book

20/21 OCTOBER 2023

A round of:

This road book is intended to be a user friendly source of information. Please read the notes that follow:

Road Book

Not all junctions have been included in this road book. Where there is no instructions given continue along the road on which you are travelling. Names and signposts were those displayed at the time of route survey and the organisers will not accept any liability for subsequent changes.

Driving Standards

Please observe **ALL** speed limits and drive with care between the stages. The Police are very co-operative and **WILL** be patrolling the route using radar checks. **The organisers will not have any sympathy or tolerance with those who are breaking the law.**

Remember: Local traffic may well be using forest roads between the stages.

Competitor Safety Information

First Competitor on Scene

If the competitor is still in the vehicle and the vehicle is on fire GET THEM OUT IMMEDIATELY.

If the competitor is still in the vehicle, is responsive and there is no risk of fire:

- Approach from the front, look them in the eyes
- Do they seem aware of their surroundings?
- Speak to them, ask their name – do they respond?
- Any pain, loss of feeling – if yes keep them where they are!
- Keep them calm and keep them talking
- DO NOT MOVE THEM UNTIL PROFESSIONAL HELP ARRIVES.
- Do nothing else

If the competitor is still in the vehicle, is unresponsive and there is no risk of fire:

- Stop any life threatening bleeding by applying direct pressure/plugging the wound
- Ensure an open airway
- Immobilise the head and c-spine (neck)
- Check if they are breathing
- Treat any non-life threatening bleeding

DO NOT REMOVE THEIR HELMET UNLESS THERE IS NO OTHER WAY TO ENSURE AN OPEN AIRWAY

If the competitor is out of the vehicle:

- Do not grab hold of them – they might be unaware of what is happening and become combative
- Guide them to a place of safety away from the incident and other competitors
- Speak to them, ask if they are OK?
- Keep someone with them
- Once in a safe place, assess them for injuries:
- Are they aware of their surroundings?
- Any signs of injury / are they experiencing pain?
- DO NOT LET THEM WANDER AROUND, BUT KEEP THEM UNDER OBSERVATION

Afterwards please write a short report for the organisers and either hand it to the first control official that you reach or to the Competitor Liaison Officer. This report should cover the facts as you know them and include your own details so that the organisers can, if necessary, contact you.

Accident & Safety Procedure (Motorsport UK Regulation R25.4)

Competitors must carry an A4-size white board with a red SOS on one side and black OK on the other letters to be a minimum of 12cm high with a minimum stroke width of 1.5cm, with means to secure it to display it to oncoming Competitors.

In the case of an accident where urgent medical attention is required, the red SOS sign should be displayed as quickly as possible to alert following cars and aid any helicopter attempting to assist.

Any crew that sees a red SOS sign displayed on a car, or sees a major accident where both crew members are inside the car but not displaying the SOS sign, must immediately and without exception stop to give assistance. All following cars must also stop and the second car arriving at the scene must inform the next radio point. Subsequent cars must leave a clear route for emergency vehicles. The Clerk of the Course may award a discretionary time to any Competitor delayed in such circumstances. Any crew which is able to but fails to comply with the rule will be reported to the Clerk of the Course who may impose penalties.

In the case of an accident where medical intervention is not required, the OK sign must be clearly shown to following vehicles, and to any helicopter attempting to assist. If the crew leave the vehicle, the OK sign must be left clearly visible to other Competitors. Any crew failing to comply will be subject to a penalty at the Clerk of the Course discretion.

Competitors who misuse the SOS or OK signs will be penalised and may be reported to Motorsport UK for further action

Each competing car must carry a Red Warning Triangle, which in the event of a car stopping on a special stage, must be placed in a conspicuous position by a member of the crew, at least 50 m before the car's position to warn following drivers. This triangle must be placed even if the stopped car is off the road. Any crews failing to comply may be subject to a penalty at the discretion of the Clerk of the Course.

If you stop on a stage and cannot reach or be seen by a radio marshal please phone 07765 222847 to advise Rally Control

Any crew retiring from the rally must report such retirement to the organisers as soon as possible, save in case of force majeure. Any crew failing to comply will be subject to a penalty at the Clerk of the Course discretion.

Red Flags

Red Flag procedure Blue Book GR.R.24.4.5 will be utilised on all special stages:

Where extreme circumstances make it necessary to authorise the movement of non-competing or rescue vehicles before the stage is cleared of competing cars, a system of Red Flags must be in place.

Red Flags are located at the mid stage rescue point and all locations where a rescue / emergency vehicle may re-enter the stage following a short cut and at each radio location these vehicles subsequently pass. All Red Flag locations are marked in the road book and stage maps.

Red flags can only be displayed on the specific instruction of the Clerk of Course or his Deputy or Stage Commander. Red Flags must only be used when there is a possibility of non-competing vehicles and rescue vehicles moving on stage AHEAD of competing cars.

Any competitor shown a Red Flag will be given a notional time for the stage. Blue Book GR.R.25.6.4 On passing a Red Flag displayed by a marshal wearing a tabard, the driver MUST immediately and significantly reduce speed as well as being prepared to stop at any time; at no time must they overtake any safety vehicle they encounter on the special stage route. The driver must then follow the instructions of any marshal and/or stage safety personnel and maintain this reduced speed until leaving the special stage.

Failure to comply with this rule will incur a penalty at the discretion of the Clerk of Course.

Ditches in the Forests

The Organisers would like to remind ALL crews that once a car goes into a ditch on the rally they are likely to stop there.

The ditches are deep so please take care if you try to take a short cut

You have been warned!!

No Management Vehicles Allowed on the event
