A lot of work has taken us to the place we are now and entries are due to go live on Wednesday 1st March 2023.

Other News

I am hoping that through the year this Newsletter will be published at least every month and hopefully every couple of weeks to keep the members updated with where we are with the rallies we are organising in 2023 and even a new event to come in 2024 (watch this space in May)

Remember Memberships are due and to keep up to date with the latest information prior to it being announced via press release you will see it here first. At the end of February non members will be removed from the email address lists.

Happy New Year to you all and I look forward to seeing you all this year.
