2019 British Historic
Rally Championship

RACRMC Newsletter No 1

Welcome to the first newsletter of 2019

I think 2019 will be a very busy year for the club once again, with the promotion of the Motorsport UK British Historic Rally Championship and the club Asphalt Historic Rally Championship both sponsored by Fuchs Lubricants which we are very grateful to them for.

The club are also promoting the Rally 2WD Challenge over 5 gravel events during the year.

The club will once again be organising the ATL Carlisle Stages on the 8th June utilising some new roads in the Kershope forest which have not been used for rallying since 1996 and brought back into use within the forest last year and will give most crews about 4 miles of new roads.

And of course at the end of the year is the Roger Albert Clark Rally which as of today has only 6 spaces left for foreign crews and has 25 reserves who have paid their deposits. The regulations and entry forms will be available towards the end of January.

More importantly to hear the news first from the club, your membership is due from the 1st January and the renewal form is attached, once again for 2019 the fee is £15 per person.

Please remember that you must be a member of the Club to compete of the Club events and this is a requirement from HMRC for VAT purposes.

If you have not renewed your membership by May you will automatically stop receiving club updates.
