Carlisle Stages Rally

Keeping everyone safe is a high priority for event organisers, however there is plenty you can do to make sure you stay safe and have an enjoyable day out spectating. The following points may help.

Please use official spectator car parks, do not park or block any other forest access roads as rescue and emergency services may require unimpeded access to and from the stages. Please drive slowly with due care and attention on narrow country roads.

Please follow any instructions given by the marshals, they are volunteers there for your safety and that of the competitors you have come to see. If you do not abide by the instructions given by marshals or officials, the stage may be stopped or cancelled. Do not walk on the stage once it is live.

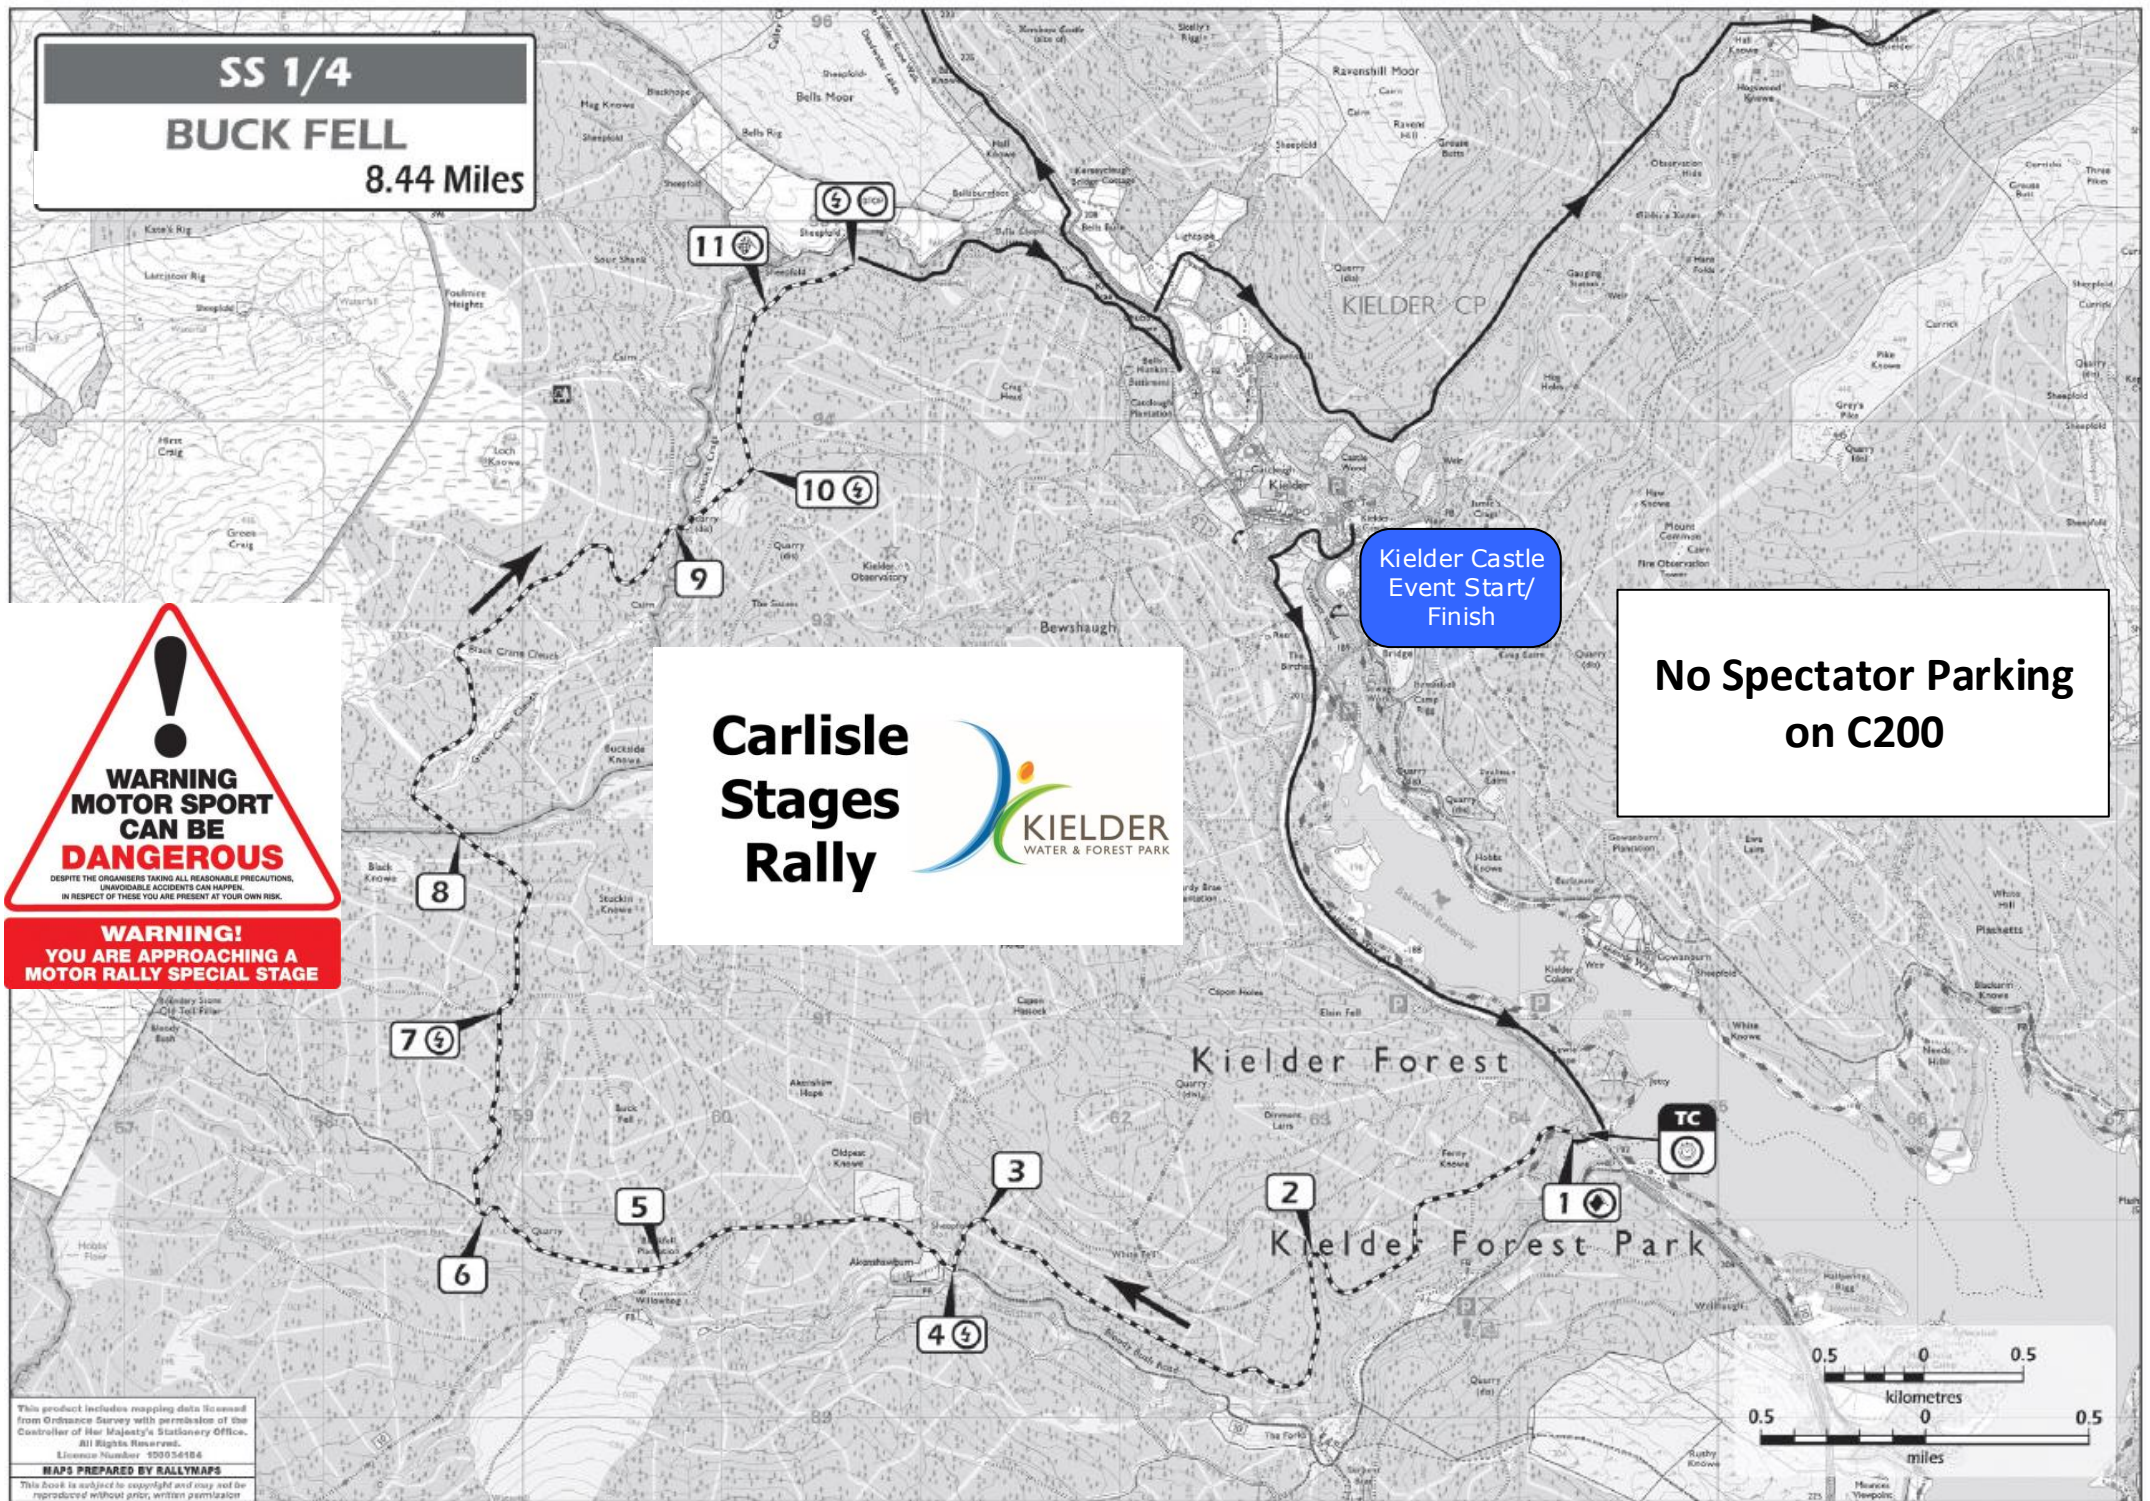

Remember to dress accordingly with adequate clothing and footwear for prevailing weather conditions. Children should always be accompanied by an adult at all times who are responsible for their behaviour and safety.

- **Beware of flying stones and uneven or slippery surfaces**
- **Stay above the track**
- **Do not stand in the straight on position**
- **Respect the signs and tape:**
 - OK - yellow/black - It is ok to stand behind this tape**
 - NO GO - red/white - NO GO areas, prohibited area means exactly that!**

Spectators are reminded that motorsport can be dangerous and despite the organisers taking all reasonable precautions, unavoidable accidents can happen. In respect of these, you are present at your own risk.
